

Does Anybody Hear?

A CALL TO ACTION FOR RABBIS AND THE ORTHODOX COMMUNITY

צדק צדק תרדוף

Another year has passed without any meaningful effort to remedy the plight of *agunot*.

An international conference convened by the Chief Rabbinate in Israel was abruptly cancelled due to pressure from ultra-Orthodox Rabbis.

What are we waiting for? How many years will we have to ask?

DOES ANYBODY HEAR? DOES ANYBODY CARE?

This Ta'anit Esther, WE, the undersigned, call upon the Orthodox Rabbinate to:

Develop and implement solutions to the *agunah* problem
Establish and enforce standards for *batei din* that judge these cases

This Ta'anit Esther, WE, the undersigned, call upon the entire community to:

Stand up and demand an end to this injustice—
a disgrace for every Jew who adheres to halakha.

This tragedy is our disgrace.

ויגל כמים משפט וצדקה כנחל איתן

Let justice roll down like waters and righteousness like a mighty stream

We Hear... We Care.

Although we made every attempt to accurately list the names and locations of all who signed on to this ad, we are aware that given the short period of time, the possibility for error/omission exists. We apologize in advance to any whose names were inadvertently left off the list and for any typographical errors.
